

An opportunity exists for an enthusiastic and motivated physiotherapist, with a commitment to continuing professional development and personal excellence to join our team in Mayfield, Newcastle on a full-time basis.

The ideal candidate will possess:

- Bachelor's Degree or equivalent in Physiotherapy
- Willingness to complete the McKenzie and Watson Headache education programs.
- Commitment to continuing professional development.
- Professional, enthusiastic and motivated attitude.
- Willingness to work co-operatively in a team environment.
- Business oriented individual with career focused goals.
- Excellent written and verbal communication skills.
- A high level of personal presentation.

This position will service a full private practice case load with 85%/15% Private/Workcover split.

This is a rare opportunity for someone who wants to become an experienced and competent manual therapist adept in the treatment of complex musculoskeletal cases and a valued member of a high-quality growing physiotherapy clinic.

This position is designed for someone who is passionate about the profession, who is committed to the pursuit of learning, and sees the value of being given an opportunity to be mentored by both physiotherapy and business professionals.
